

MATERIAL SAFETY DATA SHEET

Forever Clear

Date Prepared: 06/14/2011

SECTION 1 – MATERIAL AND MANUFACTURER IDENTIFICATION

Product Identifier: **Wipe Down**
Product Use: Hard surface cleaner polish

MANUFACTURER

CTI (Chemical Technologies International Inc.)

PO Box 968

Rancho Cordova, CA 95741

Phone: (916) 638-1315 Fax: (916) 638-0712

Emergency Assistance Calls: Chemtrec (800) 424-9300 (U.S.A.) 24hrs.

SECTION 2 – COMPOSITION / INFORMATION ON REPORTABLE HAZARDOUS

COMPONENT

CAS #

No Reportable Ingredients

(SEE SECTION 8 FOR EXPOSURE GUIDELINES)

SECTION 3 – Hazards Identification

Emergency Overview

Clear liquid with clean smell

Potential Health Effects

Routes of entry: (skin: yes) (inhalation: yes) (ingestion: yes) (eye: yes)

Inhalation:

Excessive inhalation may cause irritation of the respiratory tract.

Eye Contact:

Direct or prolonged contact with eyes may cause mild irritation

Skin Contact:

No significant irritation is expected from short-term exposure.

Ingestion:

Low ingestion hazard in normal use.

Chronic effects: Not established.

NFPA GUIDE

HEALTH HAZARD	(BLUE)	1
FLAMMABILITY HAZARD	(RED)	0
REACTIVITY HAZARD	(YELLOW)	0
OTHER HAZARD	(WHITE)	

MATERIAL SAFETY DATA SHEET

SECTION 4 – FIRST AID MEASURES

Inhalation: Remove to fresh air.

Eye Contact: Immediately flush eyes with a directed stream of water for at least 15 minutes. Get medical attention if irritation persists.

Skin Contact: No first aid should be needed.

Ingestion: Get medical attention immediately.

SECTION 5 – Fire Fighting Measures

Flashpoint:> 63F

Flammable Limits: Not Available

Auto ignition Temperature: Not Available

General Hazard:

During a fire smoke may contain the original material in addition to toxic and or irritating compounds. Avoid heat sparks or open flame contains combustible liquid. May emit oxides of sulfur and hydrogen sulfide.

Fire Fighting Instructions:

Use dry chemical, CO2, foam, or water spray.

Fire fighting equipment:

Fire fighters should wear a self contained, positive pressure breathing apparatus and full protective clothing (NICSH/MSHA APPROVED).

Hazardous combustion products:

Thermal breakdown of this product may evolve the following decomposition products: Carbon oxides and traces of incompletely burned carbon products. Silicon dioxides, formaldehyde, metal oxides, and sulfur oxides.

SECTION 6 – ACCIDENTAL RELEASE MEASURES

Small Spills: Wipe or mop up and dispose of in DOT approved waste container.

Large Spills: Contain by diking with soil or other non-combustible absorbent material, then dispose into DOT approved waste container. Comply with all applicable governmental regulations on spill reporting, handling and disposal of waste. Contain all spills or leaks to prevent discharge into the environment. All spills or releases should be reported to the appropriate local, state and federal agencies. Clean area as required removing slip and falling hazard, which may be present due to small residual of silicone material. Steam, solvents and/or detergents may be required for this.

SECTION 7 – PRECAUTIONS FOR SAFE HANDLING AND STORAGE

Work and hygiene:

This product is professional strength product to be used by professionals only.

As with all chemicals, practice good industrial hygiene when handling this product. In other words, always work in a well-ventilated area and avoid inhalation of product dust, vapor or mist, do not ingest or have contact with your eyes or skin.

Storage and handling:

Employees should be trained to handle this product safely. Store the product in a cool dry area away from ignition sources.

Keep away from children.

Store away from oxidizing materials

Use with adequate ventilation.

Avoid eye contact.

Avoid breathing mist.

Keep container closed.

MSDS Product: **Forever Clear**

MATERIAL SAFETY DATA SHEET

Do not take internally.

The manufacturer and seller warrant that this product conforms to its standard specifications when used according to directions. As the conditions of method of its use are beyond our control, we do not assume any responsibility and expressly disclaim any liability for use of this product. Information contained herein is believed to be true but all statements and suggestions are made without any warranty, expressed or implied, regarding accuracy of the information. The hazards connected with the use of this material and the results to be obtained from the use thereof.

SECTION 8 – EXPOSURE / PERSONAL PROTECTION

EXPOSURE LIMITS

Exposure limits have not been established for this mixture. However limits for individual ingredients at 100% concentration by number listed in section 2 are listed below:

<u>COMPONENT #</u>	<u>OSHA PEL</u> <u>TWA STEL</u>	<u>ACGIH TLV</u> <u>TWA STEL</u>	<u>NIOSH</u> <u>TWA STEL</u>
--------------------	------------------------------------	-------------------------------------	---------------------------------

No Reportable Ingredients

Personal Protection:

To minimize exposure to all chemicals, including this product, use good industrial hygiene and common sense:

Ventilation and engineering controls: Use only in well ventilated area. If necessary, use exhaust ventilation to insure adequate ventilation. Insure that water is readily available and that you are prepared to properly wash out your eyes should the need arise. (Refer to section 4).

Respiratory: Wear NIOSH/MSHA approved organic respirator when ventilation is not adequate or when the sufficiency of ventilation to maintain concentrations below exposure limits is in question.

Eye Protection: Wear safety goggles to protect against eye contact. See OSHA 29 CFR 1910.33

Skin: Wear chemical impervious gloves. Wear protective clothing appropriate for the task to prevent skin contact.

Other: One should always use chemicals with an awareness of the potential hazard of the effect on the human system.

SECTION 9 – Physical and Chemical properties

White liquid with clean scent

PH: 6.5

Vapor pressure: not available

Vapor density: not available

Boiling point: 65C

Freezing/Melting point: not determined

Solubility in water: miscible

Density: not available

Flammability: not established

Particle size: N/A

Evaporation rate: not available

SECTION 10 – Stability and Reactivity

Chemical Stability: Stable

Conditions to avoid: None known.

Incompatibility with other materials: Keep away from strong oxidizers.

Hazardous decomposition products: Metal oxides, Carbon oxides, and traces of incompletely burned carbon compounds, Silicon dioxide.

Hazardous polymerization: Will not occur.

MSDS Product: **Forever Clear**

MATERIAL SAFETY DATA SHEET

Section 11- Toxicological Information

Toxicological information has not been established on this mixture. However information for 100% concentrate of individual ingredients by number from section 2 are given here.

Component # Information

No Reportable Ingredients

Section 12- Ecological Information

Ecological information not established on this mixture

Dispose of all waste, empty bottles and contaminated equipment in accordance with all applicable federal, state and local health and environmental regulations.

Do not dump into storm drains or any body of water. All disposal methods must be in compliance with all federal, State/ Provincial and local laws and regulations. Regulations may vary in different locations.

Waste characterizations and compliance with applicable laws are the responsibility solely of the waste generator. The vendor has no control over the management practices or the processes by which the party who handles or uses this material. The information presented here pertains only to the product as shipped in its intended condition and recommended usage.

Section 14- Transport information

Consult 49 CFR to assure compliance with all applicable federal, state/provincial and local laws and regulations that may apply to you.

Not subject to DOT per 49 CFR 172.101

Ocean shipments not subject to IMDG code.

Air shipments not subject to IATA regulations

Section 15- Regulatory Information

US Federal Regulations:

OSHA standards require that information be provided to employees regarding the hazards of chemicals by means of a hazard communication program including labeling, MSDS sheets, training and access to written records. We request that you, and it is your legal duty to, make all information in this material safety data sheet (MSDS) available to your employees and those who handle or consume the product.

To aid our customers in complying with regulatory requirements regulatory information for components of this product are indicated below.

This mixture has no established regulatory information.

MATERIAL SAFETY DATA SHEET

Section 16- Other Information

Supplemental state compliance information:

California

Warning: This product contains chemical(s) listed by the state of California under the Safe Drinking Water and Toxic Enforcement Act of 1986 (prop 65) as being known to cause cancer, birth defects or other reproductive harm.
